GRAMMAR

The Focus of This Lesson Is Introducing Yourself in Japanese.

Hajimemashite. Teirā desu.
はじめまして。テイラーです。
"Nice to meet you! I'm Taylor."

After greeting someone you've just met for the first time, the next thing you'll want to do is say "nice to meet you" and give your name, right? In this lesson, you'll learn how to do these things.

Introducing Yourself in Japanese

There are three main phrases to remember when introducing yourself in Japanese.

Hajimemashite means "nice to meet you," and you can use it with anyone you are meeting for the first time.

Japanese	Romaji	English
はじめまして。	<i>Hajimemashite.</i>	"Nice to meet you!"

To give your name, simply state your name and follow it with *desu*. Please see the tip below on how to properly pronounce *desu*.

Japanese	Romaji	English
[name]です。	[name] <i>desu.</i>	"I'm [name]."

When introducing yourself, simply combine the two phrases above!

For Example:

1. A: *Hajimemashite, Maki desu.*
A: はじめまして、まきです。
A: "Nice to meet you! I'm Maki."
B: *Hajimemashite, Merissa desu.*
B: はじめまして、メリッサです。
B: "Nice to meet you! I'm Melissa."

Lastly, as a special touch, you can add this phrase:

Japanese	Romaji	English
----------	--------	---------

よろしくおねがいします。

Yoroshiku onegai shimasu.

"Pleased to meet you." (literally, "Please look favorably upon me.")

This phrase has many different uses, but among the most common is when you first meet someone. There is no real English equivalent, but literally, this phrase roughly translates as "Please look favorably upon me." Using this phrase shows respect for the person you're meeting and also indicates that you are looking forward to a good relationship with the person.

For Example:

1. *Hajimemashite, Yūki desu. Yoroshiku onegai shimasu.*
はじめまして、ゆうきです。よろしくおねがいします。
"Nice to meet you! I'm Yuki. Pleased to meet you." (literally, "Please look favorably upon me.")

Language Tip: Pronouncing *Desu*

Note that when we are pronouncing *desu*, the *-u* at the end is silent. So the word *desu* sounds just like [dess].

This rule also applies for verbs in formal speech (which end in *masu*), which we will go over later on in this series.
