

Testing the new language covered in this week's lesson.

Lesson 61

Extra

Exercise

The test in this week's bonus episode will help you to get to grips with the use of *y* and *en*. In each sentence there will be an element which can be replaced either by *y* or by *en*. We would advise you to listen to the bonus podcast before reading the written version of this exercise, and use this instead as reference.

Replace the 'place' with *y* or the 'thing' with *en*
